Dear Mr Smith,

SENIOR ROAD SAFETY AUDITOR ACCREDITATION

I refer to your application for Senior Road Safety Auditor Accreditation to the Department for Transport, Energy and Infrastructure (DTEI).

I am pleased to inform that you have fulfilled the requirements for the accreditation of a Senior Road Safety Auditor and that your details will be placed on the DTEI's "Register of Private Sector Accredited Road Safety Auditors" list. The list can be found at:

<http://www.dtei.sa.gov.au/documents/contractsandtenders/prequalification>

In order to retain accreditation, it is the responsibility of the accredited auditor to submit a copy of a recent road safety audit for the attention of Manager, Traffic and Access Standards by no later than 30 June of each year.

Further, it is the responsibility of each auditor to advise the Manager, Traffic and Access Standards of any changes to their details listed within this register.

Should you require any further information, please do not hesitate to contact Phil Stratton, Manager, Statewide Traffic and Operations Unit on the above telephone number.

Yours sincerely,
