Dear Mr Flynn

**ACCREDITATION AT SENIOR ROAD SAFETY AUDITOR**

Thank you for your recent correspondence regarding your application to be accredited as a Senior Road Safety Auditor.

I can advise that you meet the criteria for accreditation and your details will be added to the road safety auditor database.

To maintain status as Senior auditor, it should be noted that there is a requirement to undertake a minimum of one road safety audit per year. You should keep a record of audits that you have undertaken.

Please keep me advised of any changes to your contact details.

Should you require further information, Mr Martin Habgood, Road Safety Engineer on Tel: 9854 2711 would be pleased to assist.

Yours sincerely
